## **RECORDS FALL AT STATE TRACK MEET**

### **Wichita Highs Won Trophy Cup Given by Arthur Capper**

#### **12 Records Lowered**

Special to The Capital.

Manhattan, May 17.—Twelve state high school records were smashed in the third annual track meet here today on the college field. In the discus last year's mark was not equaled. In the high hurdles the record was equaled. In all other events the records were broken. Butler the husky negro from Hutchinson, was the individual star of the meet, taking four firsts and a second and winning individual honors.

Wichita won the meet over the nearest competitor, Hutchinson, 39 to 35.

A perfect day for track work and a fast track made conditions ideal. Butler broke four records. In the pole vault, D. Patterson, of Hutchinson, raised the record of 9 feet 6 inches to 10 feet 10 inches, a good height for high school athletes. Treweeke, high jumped 5 feet 8 ½ inches and four of the other contestants lasted to 5 feet 7 ½ inches. The 880 was a pretty race: Rodkey of Irving, obtaining the lead and holding it well to the finish. In the relay, Wichita had the lead but lost out and Hutchinson won with ease. In the broad jump Butler had made his jump and passed up his last chance. Then Damon of Stockton, went over former marks a couple of feet and won the event with a leap of 21 feet 3 ¾ inches. The poorest event was the discus, the winning hurl being much lower than the mark of last year.

Following the meet President Waters presented the medals to the athletes donated by Arthur Capper. First place counted 5 points, second 3 points, third 2 points, and fourth 1 point.
