TOPEKA TEAM WON HIGH SCHOOL MEET

**Victorious in Sixth Annual Track and Field Event and Won
Another Capper Cup—Field Heavy from Rains.**

12-POUND SHOT RECORD BROKEN

**Local Team Makes Score of 16, School of Agriculture 15,
Syracuse 13—Twenty-Two Schools Represented.**

Special to The Capital.

Manhattan, Kan., May 13.—Beneath lowering skies that threatened a downpour, the Topeka track team won the sixth annual state high school track meet here this afternoon, making 16 points, and capturing the Arthur Capper cup.

The field was heavy, from two inches of rain that has fallen here in the last twenty-four hours and the time in all the events was slow. The only record broken was in the 12-pound shot, when Roderick, of Attica, heaved the shot 47 feet 2 ½ inches, beating the old record made in 1914 by Sharpe of Carbondale, who heaved it 46 feet.

The mile relay was lost by McCallan, of Topeka, by a nose, when Stout for Minneapolis, who had been fighting him every step of the way for his quarter, fairly leaped at the tape in the finish. Beattie, of the school of agriculture, the K. S. A. C. prep school, was easily the star of the meet, taking first in all three of the events entered and capturing the cup given for the greatest individual point taker.
